Umpire Fees: $70.00 per umpire per game

In the event of cancellation of games, the ***home*** team must notify the umpire organization one hour and half before game time.

If umpires are not notified of a cancellation and show up at the field, your team will be responsible for a travel fee of $25.00 per umpire.
If your team forfeits you must pay both umpire fees of $130.00.

If your team fails to pay these fees at the field, no umpires will be assigned to your subsequent games until the balance due is paid. These games will be considered a forfeit on your record.
